WIBC SETS GOALS

The Women's International Bowling Congress fixed a firm path for its future during the 1984-85 season by establishing strong goals for greater recognition and growth in coming years.

The Board of Directors adopted a comprehensive mission statement at its November, 1984, meeting, which was developed with the intention of enhancing the Congress' position in the bowling community.

The mission statement grew as the logical next step out of a challenge issued by Mrs. Helen Baker, WIBC president, at the 1984 WIBC Annual Meeting in Niagara Falls, N.Y.

Speaking to the delegates, Mrs. Baker said, "It is time that the bowling family recognized that 'women,' as in the Women's International Bowling Congress, have a greater say in what goes on in the bowling industry."

Mrs. Baker was expressing WIBC's desire for a greater voice and visibility among the members of the bowling family as that organization which represented a large and vital part of the bowling industry, women bowlers.

WIBC's size and impact took on even greater proportions with the close of the 1983-84 season as the Congress, with nearly 3.9 million members, emerged as bowling's largest membership organization.

WIBC held that position through the 1984-85 season, despite a continuing membership decline, with a final total that exceeded 3.7 million members.

The language of the mission statement captured the intent of Mrs. Baker's words and fashioned it into a forward looking blueprint to guide all future actions by the Congress.

All WIBC efforts will now be undertaken with an eye toward positioning the Congress more firmly "as the service organization which is the representative voice of women in bowling."

Without a specific plan of action, however, that blueprint might not reach full effectiveness. To that end, the Board also formulated a long range plan designed to carry out the mission statement. Five specific goals and objectives were detailed as part of the long range plan.

WIBC's news releases announcing adoption of the mission statement and long range plan asserted the Congress' position this way:

"These steps (the mission statement and long range plan) outline the position that WIBC is no longer taking a back seat but now shares the driving privileges.

"The long range plan places WIBC in the forefront of the bowling community, "thereby achieving," according to the mission statement, "its rightful leadership role in the bowling world."

MISSION STATEMENT
of the
Women's International Bowling Congress

To present the Women's International Bowling Congress to its members, the bowling community and the public as the service organization which is the representative voice of women in bowling, thereby achieving its rightful leadership role in the bowling world.

To join with its associations, members and other entities to broaden competitive participation in the sport of bowling and to promote it as fun and recreation for all ages.

WIBC LONG-RANGE PLAN
Goals and Objectives

1. To serve the individual members and promote the sport of tenpin bowling by instituting new programs and projects which will better educate and motivate state, local and league officers of the WIBC.
2. To supplement the membership dollars to provide for the continuation and improvement of current services.
3. To develop methods to recruit new members and retain current members, so that WIBC, by the end of the 1991-1992 season, its 75th anniversary, will have achieved a membership of 4,250,000.
4. To continue to support amateur bowling in international competition such as FIQ American Zone and World Tournaments and to strive for the inclusion of bowling as a medal sport in the Pan American Games and the Olympics.
5. To continue an advertising and public relations program for the improvement of WIBC's image to its members, the bowling family and the media.

PRIME GOAL: MEMBERSHIP

Delegates to the 1985 WIBC Annual Meeting in Toledo, Ohio, sported bright red buttons during the three days of convention activity April 22-24 in Centennial Hall on the campus of the University of Toledo.

The buttons stood out, not only because of their color, but because of the intriguing slogan enscribed on them: "WIBC 4.2 by '92."

The delegates received the buttons at the same time they were handed their Officer and Committee Report books. And, while buttons and pins are always popular among WIBC convention-goers, the meaning behind the slogan was not apparent at first.

But once explained, the buttons became a popular and much sought after item. Some delegates even returned to ask for more so that, as one said, "every member of my board can have one." Supplies were limited at that time, but why such quick popularity?

The button, and its slogan, marked a first small step toward fulfilling one of the long range goals adopted during the season by the WIBC Board of Directors. And the delegates were quick to embrace the cause because it touched on a subject which has been of great concern both to them and to the Congress as a whole: membership.

The cause, the goal, which the button so neatly encapsulated in its catchy phrase, targeted achieving a membership of 4,250,000 by the 1991-92 season. This was to be accomplished by developing methods to recruit new members and to retain those currently on the roles.

The significance of pinpointing 1991-92, seven bowling seasons into the future, as the pivotal time period for achieving the goal turned on the fact that WIBC will mark its 75th anniversary during that season. Certainly that season offers the most significant occasion for WIBC to return to the stature it achieved during 1978-79 when the Congress's membership roles registered a record 4,232,143 women bowlers.

WIBC membership has declined during the six seasons since then, and the need to reverse the trend has been of prime importance to the Congress.

WIBC membership totaled 3,713,751 during 1984-85, the 10th largest total in Congress history. However, the final figure showed a decrease of 152,967 members over the previous season, a 3.96 percent drop.

WIBC counted 153,435 leagues during the season, also the 10th largest figure in the Congress' 68 years. However, that figure was down 4,172 from 1983-84, representing a 2.65 percent drop.

Yet expanding membership represents only one of the goals identified in WIBC's long range plan. That plan outlined five areas as highly important to WIBC's continued development, as set forth in the mission statement, as the "representative voice of women in bowling." Why center on membership?

In addition to the immediacy of the situation, the membership goal was one of the most easily recognized and most readily acknowledged of the long range objectives. Also, it was one of the easiest to translate into a concise, upbeat, easily remembered message appropriate for inclusion on a button.

With WIBC members, no quicker methods exists to get a message out, to begin the process of generating enthusiasm at the all-important grass roots level, than through the simple wearing of a button.

The slogan will continue to be seen during the coming season as members of the WIBC Board and other WIBC staff members on assignment in the field will

wear the buttons, continuing to place the goal before leaders at the local level.

However, it was at the Annual Meeting, where nearly all of the near-record 3,737 delegates wore one of the buttons, that the new drive to expand membership gained its initial impetus. Each delegate received a comprehensive report entitled, "WIBC — In Motion for the '90s," which laid groundwork for achieving the long range goals and objectives of which membership is such an important part.

Mrs. Helen Baker, WIBC president, underscored the importance of the project to expand membership by telling the delegates, "It is imperative that we turn this decline in membership around by doing everything we can at the local, state and national level."

Dealing with convention business, the delegates adopted 21 proposed amendments. Among them was important legislation calling for a dues increase of 50 cents, which will become effective with the 1986-87 season. Also adopted was legislation establishing mandatory rules governing local and state association championship tournaments which will become effective in 1986-87 as well. The delegates also rejected seven proposed amendments and referred one to the legislative committee for further study.

An increase in entry fees beginning with the 1986 WIBC Championship Tournament was also announced by Miss Flora Mitchell, WIBC executive secretary-treasurer. The Bismarck-Mandan (N.D.) Women's Bowling Association was selected by the delegates to host the 1989 WIBC event.

The delegates returned eight incumbents to the WIBC Board and elected Mrs. Marilyn Smith, Lake Charles, La., a director. Mrs. Smith replaced Mrs. Hazel McLeary, Victoria, B.C., Canada, who was appointed sergeant-at-arms when Mrs. Anne Simone, Sunderland, Mass., resigned to accept a WIBC staff position. Mrs. McLeary was then elected to her new position.

Re-elected vice presidents were: Mrs. Lo Borschuk, Sioux City, Iowa, and Mrs. Elaine Hagin, Castro Valley, Calif. Directors re-elected were Mrs. Mary Jane Sporar, Joliet, Ill,; Mrs. Marilynn Rew, Orlando, Fla.; Mrs. Ruth Smith, Findlay, Ohio; Mrs. Beverly McLendon, Houston, Texas; and Mrs. Shirlee Kutzner, Nutley, N.J.

The Bismarck-Mandan WBA delegation caught the delegates' attention in Toledo and then got their votes as the North Dakota cities were selected to host the 1989 WIBC events.

Three women were inducted into the WIBC Hall of Fame. Janet Harman, Cerritos, Calif., and Annese Kelly, Las Vegas, Nev., were honored for Superior Performance. Catherine Sloan, Alexandria, La., was cited for Meritorious Service.

Mrs. Simone was elected a WIBC Member Emeritus. Also honored was Becky Kregling, Stratford, Conn., who received the 1985 Alberta E. Crowe Star of Tomorrow Award.

The 1985 WIBC Spotlight Awards were presented to Massachusetts and Texas among state associations and Washington, Iowa; Sidney, Ohio; Hamilton, Ont., Canada; Erie County Suburban, N.Y.; and Washington, D.C. Area among local associations.

TEAM USA PLANNED

WIBC lists among the goals and objectives of its long range plan the "continued support of amateur bowling in international competition . . . and (the) striving for inclusion of bowling as a medal sport in the Pan American Games and the Olympics."

Plans were formulated during 1984-85 to help meet both those goals. WIBC officials working with representatives of the American Bowling Congress (ABC) developed the format for the *Team USA* Bowling Tournament, which is scheduled to be implemented during the 1985-86 season.

Information on the *Team USA* concept was released during the season to all WIBC associations as well as to the nation's bowling proprietors who will play an integral part in the program.

Team USA will offer amateur bowlers throughout the United States the opportunity to represent the U.S. in international bowling competition. And it will do so through national eliminations beginning at the local level and culminating in a national championships.

The new competition will replace the U.S. Team Trials as the means to determine U.S. representatives for selected international bowling events. Qualifiers for the women's field in the trials were drawn from the WIBC Championship Tournament and selected collegiate events. The new format will provide every amateur woman bowler in the country the opportunity to qualify for the U.S. team.

Bowlers can elect to enter *Team USA* either through their local association tournament, where actual all events totals will be used to determine advancement, or through nine-game qualifying events conducted at participating bowling centers. All competition is scratch and a $5 entry fee will be required, plus expenses in the case of the bowling center qualifier.

WIBC bowlers qualifying at the local level will move up to one of 15 regional events. Those failing to advance, or those from areas where no local qualifier is held, will have a second opportunity by entering a competition prior to the regionals.

Advancement to the regionals will be based on one for every 10 entries. Advancement from the regionals to the nationals will be at a minimum of one for every 20 entries. Young American Bowling Alliance (YABA) members and military bowlers will have their own competitions, with YABA qualifiers entering *Team USA* at the regional level and military qualifiers at the national finals.

Those women who finish at the top in *Team USA* competition will have the opportunity to bowl in such international amateur events as the Federation Internationale des Quilleurs World and Zone competitions.

But WIBC's long range attention will focus again, as it did during 1984-85, on the Olympics and Pan American Games. Efforts were made in both areas during the season to further bowling's bid for inclusion as a medal sport. Application was made for bowling to be a medal sport in the 1987 Pan Am Games. And negotiations were conducted through FIQ for bowling's inclusion as an exhibition sport in the 1988 Olympic Games in Seoul, Korea.

Team USA is part of that effort. It answers the need for a true national championships, which was required of WIBC and ABC when the two organizations became Group C members of the United States Olympic Committee. Subse-

quent changes were also made in the bylaws of both organization.

It is the *Team USA* Bowling Tournament that will eventually determine the U.S. team that will compete in the Olympics when that time comes.

With *Team USA* in the offing for the coming season, 1984-85 marked the last year for the Team Trials, which were held July 25-27 in Milwaukee, Wis. Six women earned spots on the U.S. women's team when they topped a 26-bowler field at the 8th U.S. trials.

The six women, and a six-man team, were to represent the U.S. in the 9th FIQ American Zone event, scheduled September 21-28 in Bogota, Colombia, against the best bowlers from North, Central and South America.

Sue Schottke, Tonawanda, N.Y., finished as the No. 1 qualifier among the women. She led a team of qualifiers that was one of the youngest to ever represent the United States.

Also on the team were: Regi Jonak, St. Peters, Mo.; Michelle Salzman, N. Hollywood, Calif.; Debbie Bennett, Akron, Ohio; Peggy Funk, Tonawanda, N.Y.; and Kathy Butler, Garden Grove, Calif. They ranged in age from 20 to 31, averaging 25 years. Carol Miller, Waukesha, Wis., was again selected to coach the U.S. women.

In other international competition, Mary Mohacsi, Livonia, Mich., represented the U.S. in World Games II, held August 2-4 in London, England. Twenty-three sports not currently involved in Olympic competition were contested.

Mohacsi finished fifth in women's singles and sixth in women's all events. She teamed with Barry Asher, Anaheim, Calif., the U.S. men's representative, to take seventh place in mixed doubles competition.

COMPETITION FOR ALL

Providing all WIBC members with the opportunity to participate in tournament competition continues to rate as one of WIBC's most important services.

For high average bowlers, for low average bowlers, for the young and for the old, WIBC offered competition for everyone during the 1984-85 season.

The WIBC Championship Tournament ranks, of course, as the most prominent of the Congress' events. The 1985 edition was held in Toledo, Ohio. Southwyck Lanes and Imperial Lanes hosted the event, which opened April 4 and ran 53 consecutive days to May 27.

The 66th annual tournament drew 8,491 teams, seventh largest entry ever. A total of 44,201 women bowlers, from novice to professional, bowled in the tournament's three divisions which are based on average. The prize fund totaled $833,171, third richest in tournament history.

Don Redman Insurance of Toledo won the team event and made history in the process. The hometown team bowled 2934 on the tournament's opening night and held on the rest of the way to win the title. It was the first time in the modern era that a WIBC champion in any event posted the eventual winning score on the tournament's first night and first squad.

The Redman five put together team games of 971, 951 and a closing 1012 for a final 41-pin victory over Holiday Bowl, Los Angeles, Calif. Gretchen Grocki led the team with 623, followed closely by Shirley Kauffman with 615. Shelley Hinz bowled 582; Patti Olszewski 567 and Karen Scanlon 547.

Aleta Sill, Cocoa, Fla., claimed the all events title for the second time in her brief career. The 22-year-old lefthander compiled 1900 over the nine tournament games to establish a record of three 1900-or-better totals in WIBC tournament play. She rolled series of 709 in doubles, where she and partner Betty Maull finished second; 646 in singles; and 545 in the team event.

Sill now has earned two all events titles, plus a runner-up finish in that event, in the last four years. She also has earned one singles title during that same period.

Aleta Sill exulted in a strike enroute to victory in the 1985 Queens Tournament.

Two Iowa bowlers took the doubles title. Linda Graham, Des Moines, and Melody Philippson, Colfax, combined for a winning 1246 as each bowler connected for a 623 series.

Polly Schwarzel, Cheswick, Pa., captured the singles title with 694, winning by five pins over Carol Norman, Ardmore, Okla. Schwarzel, owner of a bowling center, bowled games of 247, 212 and 235.

Special attention centered on the 1985 Maxim/WIBC Queens Tournament during the year as the Congress celebrated the Silver anniversary of the showcase for high average bowlers.

Always a companion to the WIBC championships, the 25th annual event took on its own special significance during 1985. To help recall the tournament's history, Janet Harman, Cerritos, Calif., winner of the first Queens in 1961, was invited back along with the other past champions.

Special opening ceremonies called attention to the Queens' 25th year; a commemorative program was distributed and Maxim Coffee, first-time sponsor of the event, provided a free coffee bar for the duration of the tournament.

Aleta Sill rolled to a resounding victory on the lanes to cap the celebration. Winning the event for the second time in three years—she was runner-up in-between — Sill earned $20,700 including bonus money for match play wins. The tournament boasted a total prize fund of $90,000.

Sill defeated Linda Graham, the eventual WIBC doubles champion, 279-192 in the final match of the stepladder finals, which were taped for delayed broadcast on cable television. Graham qualified No. 1 for the finals by defeating Sill 867-790 in their final four-game match before the finals.

As the No. 2 qualifier, Sill bowled a key match against Shinobu Saitoh, the always tough Japanese righthander, who had moved into contention from the No. 3 position by defeating Pat Costello, St. Helena, Calif., 224-218. Sill toppled Saitoh in a close match 211-197 when the Japanese star left the Big Four split in the ninth frame.

In the first match of the finals, Costello, the No. 4 qualifier, prevailed against Jennette Adams, Liverpool, N.Y., who had gained the No. 5 spot, 185-170.

Graham earned $11,600 as the runner-up. Saitoh took home $7,900, Costello $5,700 and Adams $4,000. Others in the top eight were: Reba Honeysuckle, Oklahoma City, Okla., sixth, $3,050; Inta Mulch, Philadelphia, Pa., seventh, $2,700; and Renee Burnie, Allen Park, Mich., eighth, $1,900.

Prize money took a back seat for bowlers in the 4th annual WIBC National Senior Tournament held May 11-12 in Tulsa, Okla. For them, competition was the thing and the chance to win national recognition.

However, all 133 participants — the largest field yet — who came from 47 states and three Canadian provinces, were thrilled just to bowl in the event, held once again in conjunction with the American Bowling Congress National Senior Tournament.

(Top) Don Redman Insurance, Toledo, won the 1985 WIBC team title. The team: (l to r) Patty Olszewski, Shelley Hinz, Gretchen Grocki, Shirley Kaufman and Karen Scanlon. (Above) Iowans Melody Philippson, Colfax (l), and Linda Graham, Des Moines, won the doubles title. (Right) Polly Schwarzel, Cheswick, Pa., earned the singles title.

The women competed in four age groups. Winners were: Leona Seele, Belvue, Kan., Class A, 70 years and over; Jean Tolle, Joliet, Ill., Class B, 65-69; Georgia East, Fort Cobb, Okla., Class C, 60-64; and Jan Fay, Blackfoot, Idaho, Class D, 55-59. Each earned a $500 first place prize.

Tolle set three of the 13 records bowled

in the event, and she was part of a tournament first. The 66-year-old bowler recorded high series with handicap, 652; high scratch series, 537; and high series in match play finals, 648. She was also half of the tournament's first mother-daughter duo. Her mother, Ocul Robinson, 87 years of age, also bowled in the tournament.

Participants qualified through senior tournaments in their home states. In Tulsa they bowled two three-game qualifying blocks with the top four in each division advancing to a three-game match play competition.

Four ageless bowlers took the titles in the 1985 WIBC National Senior Tournament. They were: (from left) Leona Seele, Class A; Jean Tolle, Class B; Georgia East, Class C; and Jan Fay, Class D.

In collegiate competition, Michelle Mullen, Matteson, Ill., a University of Illinois junior, won the individual title in the 1985 Women's National Intercollegiate Bowling Championships on the WIBC tournament lanes in Toledo.

Mullen rolled to victory in seven of eight matches in the round robin finale, which was a first for the 24th annual event co-sponsored by WIBC and the Brunswick Corp. The righthander totaled 1614 and picked up 210 bonus pins to top runner-up Laura Dulisse of Temple University, who totaled 1589, and third place finisher Rozalynd Monell of Wichita State University, who had 1588.

Monell bowled 607 to win the singles title and teamed with Stacey Peterson of the University of Florida to take the doubles title with 1159. However, she fell short in her bid to become only the third woman to win all three titles in the event, which is the finals for the Association of College Unions-International tournament.

Top collegiate bowling teams competed in the National Collegiate Bowling Championships May 3-5 at Red Carpet South Park lanes in Milwaukee, Wis., and it was the West Texas State women and University of Wisconsin—La Crosse men winning the titles.

West Texas State defeated San Jose State 201-153 in the first match of the three-team women's finals, then downed Indiana State University 167-137 for the title. La Crosse topped Georgia Tech 177-159 in the first match of the men's finals, and then squeaked past West Texas State 202-200 in the championship match.

Twenty-four teams, 12 women's and 12 men's, bowled in the NCBC event, played under the Baker system. In that format, one team bowls one 10-frame game.

AWARDS PROGRAM

One portion of WIBC's long range plan focuses on the "continuation and improvement of current services." An all-important part of those services, and one of the Congress' most popular, continues to be the awards program.

Each season WIBC recognizes the bowling achievements of nearly one out of five members for accomplishments that range from 800 series to 7-10 split conversions. During 1984-85, 5,190 awards were presented for scoring achievements, while another 91,699 awards were presented for special on-the-lanes achievements.

Seven women accounted for eight 800 series during the season with Aleta Sill, Cocoa, Fla., bowling two of them. However, it was Patty Ann, New Ulm, Minn., who set a new WIBC three-game record.

Ann bowled 859, putting together games of 280, 300 and 279, on April 2 in the Morning Edition League at Cloverleaf Lanes in New Ulm. The righthander also added a 289 game in the league's four-game format to set a new WIBC mark of 1148 in that category.

Sill became only the third woman on WIBC records to bowl three career 800 series when she added two to her personal record during the season. The lefthander bowled an 815 as well as an 806.

Other women bowling 800 series were: Jeanne Maiden, Solon, Ohio, 822; Robin Romeo, Sepulveda, Calif., 816; Kari Mossbarger, Schaumburg, Ill., 806; Nancy Nelson, Mason City, Iowa, 803; and Carol Norman, Ardmore, Okla., 803.

Along with her two 800s, Sill was one of three women to record two 300 games during the season as 111 perfect games were bowled by WIBC members. Also bowling two 300s were Jeanne Eisworth, Williamsport, Pa., and Nancy Ellison, New Hampton, N.Y.

Patty Ann also led the nation's women bowlers as she posted a 230 average over 72 games in the same center and league in which she set the three-game record. Her average was only two pins short of the record she set during the 1983-84 season. It was the third consecutive season Ann has led all WIBC members in league average.

Paulette Karwoski, Taylor, Pa., co-leader in average with Ann in 1982-83 and runner-up to her in 1983-84, was runner-up again during 1984-85 with 228. Barbara Thorberg, St. Louis, Mo., was third with 219.

Those three received special awards as the women with the highest averages during the season. Another 170 women received awards for averages of 200 or better. In all, they combined for 203 averages in that elite class.

Six members averaged 200 or better in three different leagues. They were: Nanci Caldwell, Tulsa, Okla.; LeLani Wilson, Buckley, Wash.; Vicki Fischel, Denver, Colo.; Donna Sipniewski, Dayton, Ohio; Rose Kotnik, Brook Park, Ohio; and Linda Kelly, Union, Ohio. Another 18 women maintained 200 averages in two leagues.

The WIBC awards program's largest volume of emblems for individual achievement goes to bowlers who achieve such special honors as triple score, Dutch 200 and 7-10 split conversions. The following is a breakdown of the awards presented in those categories during 1984-85:

Triple Score	34,014
100 Pins-over-Average	26,279
All Spare Game	24,862
Big Four Split	3,170
Dutch 200 Game	1,837
7-10 Split	1,307

Awards presented to WIBC senior bowlers increased during 1984-85 in one of the two categories, compared to the previous season, but dropped for the first time in the second. Totals in the two categories were:

	'84-85	'83-84
75 Pins Over Avg. (Game)	2,209	2,116
125 Pins Over Avg. (Series)	1,095	1,154

PRESIDENT'S REPORT

"I hope you will consider this the start of an era in which there is understanding of the fact that we all must work together..."

The following is a summary of President Baker's report presented to the Board of Directors and Delegates at the 1985 WIBC Annual Meeting in Toledo, Ohio.

A few years ago, WIBC had more than four million members. That was 352,000 more than we had on July 31, 1984. It is imperative that we turn this membership decline around. Do everything you can to recruit new bowlers and get dropouts to return to the game.

Let us not say that this is strictly a proprietors' problem. It is our problem as well. If we lose members at the local level, the income for those associations decreases, and what happens to their fixed expenses, to the services which they provide their members?

The sport of bowling has suffered from a poor image in the eyes of the nonbowling public and nonbowling oriented sports writers. Now, with Group C membership on the United States Olympic Committee (USOC), perhaps that perception will change.

Few nonbowling oriented journalists have given us much coverage on international bowling competitions conducted by the Federation Internationale des Quilleurs (FIQ). Maybe now, with our USOC affiliation, we can get their attention and direct it to our other international involvements as we continue efforts to get a Group A designation and become part of the Olympic Games.

Our new *Team USA* Bowling Tournament, and the sending of bowlers to international events, all take money. But they should help focus the public eye on the highly competitive aspect of bowling, which is not generally recognized.

The training and nurturing of our young bowlers to establish the goal of representing their country in these prestigious tournaments and in the Olympics will need a lot of moral and financial support.

We also must not let our vision be so narrow that we see our youth bowlers only as members of another organization, the Young American Bowling Alliance, and thus not worry about them. They are our future members, and if we don't start now to train them as future leaders, and stimulate their interest so they will remain sanctioned bowlers, our organizations will have lost their claim on the future.

Last year we told you about our involvement with the American Bowling Congress (ABC) in the Certified Lane Inspector Workshop program. Now, there are new developments in the ongoing search for better equipment and better ways to do things.

ABC is conducting tests on the coefficient of friction of bowling balls, studying reactions to the bowling lane surface and affects on scoring. And field tests are being conducted on a new lane dressing measuring device, which would make high score inspections much more precise.

For the past two years, ABC has invited WIBC to send observers to the ABC equipment specifications committee meetings. Those of us who attended found them interesting and informative. From them we learned about the tests referred to previously and other methods of evaluating pins and equipment.

Just a year ago, WIBC was honored by the Women's Sports Foundation (WSF). This year, we were in New York when Marion Ladewig, WIBC Hall of Fame member, was inducted into the Pioneer Category of the WSF Hall of Fame.

We also recently attended a USOC House of Delegates meeting in Colorado Springs, Colo., at which the American Racquetball Association, also a Group C member, introduced an amendment to make Group C sports eligible for inclusion in the National Sports Festival, held this year in Baton Rouge, La. We supported the attempt from the floor, but the amendment was defeated.

On another topic, please do not stop your fund raising for the National Bowling Hall of Fame and Museum. We still have a sizeable mortgage and admissions income is still low. I thank you for your projects and contributions to the Hall of Fame. And I also thank you as well for the work you have done for your local and state associations and for WIBC.

I would also like to express my appreciation to the WIBC Board of Directors for its hard work on behalf of WIBC. Also my appreciation to Flora Mitchell, our executive secretary-treasurer, and Nancy Tatum, our assistant secretary-treasurer, and to our staff.

I hope you will consider this the beginning of an era in which there is understanding of the fact that we must all work together—manufacturers, suppliers, proprietors and the bowling organizations—to:

- Revitalize bowling.
- Recall its pleasures to those who have been bowlers but have dropped out.
- Reemphasize pride in our sport.
- Renew our efforts to get bowling recognized as a medal sport in the Olympics, and
- Rededicate ourselves to getting our young bowlers interested in following in our footsteps.

As President Reagan said: "We are not here to congratulate ourselves on what has been done, but to challenge ourselves to what we have not yet accomplished."

Helen Baker

EXECUTIVE SECRETARY'S REPORT

The following is a summary of Executive Secretary-Treasurer Flora Mitchell's report presented to the Board of Directors and Delegates at the 1985 WIBC Annual Meeting in Toledo, Ohio.

Growth, expansion and modernization affect us all. Change is a part of progress, and we must all make adjustments so that we can continue moving forward. WIBC continues to move forward with the times.

In the past, WIBC sanctioned leagues and tournaments were always contested on lanes sanctioned by the American Bowling Congress (ABC), without WIBC assuming any of the attendant financial or administrative responsibilities. Similarly, we relied on ABC and its local associations to provide the necessary inspections and reports when WIBC members bowled high scores.

In the past, women bowlers took the inspection services for granted. But now, women who are willing and able are being trained as inspectors to assist in high score and certification inspections through the ongoing Certified Lane Instructor Workshop (CLIW) program.

Also reflecting our commitment to become more involved in all aspects of the game, WIBC is now financially associated with ABC in administering the high score processing and lane certification departments. With this association, WIBC rightfully assumes its financial responsibility for services rendered.

The CLIW program has been an exciting and rewarding experience for those of us who have been involved in it. Ninety-seven workshops and 67 reinforcement classes were held through February 28, 1985. Attendance totaled 1,112 with 438 women and 674 men. A total of 494 inspectors, including 160 women and 334 men, were certified through that date.

Additional workshops were scheduled through the remainder of the season. And many WIBC members who are already certified have assisted local ABC inspectors in making high score inspections and certifying lanes.

A joint WIBC/ABC committee was appointed to analyze the needs of mixed leagues. The committee identified four areas needing attention: developing one mixed league sanction application; differences in WIBC and ABC rules; distribution of mixed league supplies; and mixed tournaments.

A mixed league sanction application was developed for field testing during the 1985-86 season. The tests are being conducted in selected associations of various sizes in three states to reach a representative membership group.

Several proposed amendments were presented at both the WIBC and ABC Annual Meetings. Those proposed rule changes did not include all areas where differences occur. Other changes will be proposed in the future.

It is imperative that women's and men's associations have a workable program for mixed league supply distribution. The recommended method is through workshops and joint meetings, with both local associations being involved.

The joint committee recommended that local associations be encouraged to conduct mixed championship tournaments. WIBC and ABC will provide sample rules upon request. An emblem award program is also being considered.

Another special WIBC/ABC committee has studied the acceptance and use of summer league averages. It was found that other related areas also required in-depth study: a possible national cutoff date for averages; maintenance of average records; and whether leagues should be identified as summer or winter (regular). Further study is needed before any rule changes can be proposed.

Changes in the 1985 WIBC Championship Tournament were not visible to the team captains, but a new on-line system for data entry was implemented. This enabled the operator to immediately catch and correct any errors.

Computer generated confirmation letters will be used for 1986. We anticipate remaining relatively current on mailing confirmations, and the computer should be exceedingly accurate in listing correct dates and squad times.

During 1984-85 we used a fully automated system for the first time to check the certification file. All leagues are entered in the system and the computer checks the files as

part of its regular processing cycle. The computer also does any follow-up letters and generates monthly reports for the bonding company.

The number of local and state associations utilizing the WIBC and ABC tournament data processing service is increasing. There were 33 WIBC and 71 ABC local associations and seven WIBC and seven ABC state associations using the service in 1984-85. In all, 16.99 percent (657,282) of WIBC's membership and 30.06 percent (1,138,648) of ABC's membership was processed through the system.

Applications for the 1986 WIBC Spotlight Awards were mailed to each local and state association president and secretary in the April general mailing. In addition, guidelines for submitting presentations were also included. We hope this will encourage more associations to send in applications.

Leadership Training Seminars (LTS) were conducted in 12 locations on 10 different weekends beginning June 29-30 and continuing through September 28-29, 1985. Plan on attending a seminar if one comes to your area.

When all totals were in, the 1985 WIBC Championship Tournament in Toledo, Ohio, ranked seventh in teams (8,491), doubles (20,877) and singles (41,754); and eighth in optional all events (37,492) among the largest WIBC tournaments. More than 44,000 women competed in the 54-day event. The total prize fund, $833,171, was third largest.

Ethel Ann Constantine, Dearborn, Mich., bowled in her 50th WIBC May 6, 1985, in Toledo. She is only the fourth WIBC member to reach that milestone. Others with 50 years of participation are: the late Myrtle Schulte, St. Louis, Mo., and Mary Covell, Chicago, Ill., both with 54; and Margaret Higley, Orange, Calif., with 50.

We looked for several years to find the right method to display WIBC Championship Tournament standings on site. This year, in one of the most important changes in many years at the tournament, a computerized system displayed the standings on four television monitors.

Two display units were utilized, one at Southwyck Lanes and one at Imperial Lanes. Each unit held four monitors with each monitor handling a different event: team, doubles, singles or all events. Alternating displays of Open Division, Division I and Division II standings were then shown.

Updated standings information, entered on a central computer, is transferred to the displays on the concourse, keeping the most up to date information posted.

This season marked the 25th anniversary of the WIBC Queens Tournament. A special opening ceremony was held and Janet Harman, Cerritos, Calif., the first Queens champion, attended. Joan Bender, Arvada, Colo., and Helen Duval, Berkeley, Calif., the only entrants to have competed in all 25 Queens, were also on hand.

The 1986 WIBC Championship Tournament will open April 3 in Orange County, Calif. It will mark the first time Orange County has hosted the WIBC championships. The Annual Meeting will be held April 28-30 and the Queens Tournament will take place May 13-17. The 1987 WIBC event will open April 2 in Hartford, Conn. The Annual Meeting dates are April 20-22.

We urge team captains to check closely when figuring entry fees for the WIBC Championship Tournament. Approximately three of every 10 entries received are incomplete. These omissions and errors cause delays in processing the entry forms and, in some cases, loss of requested dates.

If we can leave you with one message, let it be that change cannot be limited to the national level. If we are to stem our membership losses, we must be willing, even anxious, to accept change at the local level. Look for different approaches that might turn on new members or bring back members who have dropped out. There are dozens of ways to do it.

At the national level we have tried to look objectively at how we operate. The result has been new programs and modifications to existing ones. Take this same approach within your own leagues and associations.

The projects, plans and events relayed to you in this report would not have been possible without the efforts of many people. I wish to thank President Helen Baker, the WIBC Board of Directors and the staff.

Flora E. Mitchell
Executive Secretary-Treasurer

SPECIAL REPORTS

The following are summaries of the special reports presented to the Board of Directors and Delegates at the 1985 WIBC Annual Meeting in Toledo, Ohio.

Legal

Since more than half the cases considered each year by the legal committee concern nonpayment of league fees, we have to assume that it is the No. 1 league problem. Most of these cases arise because of the wording of the league's rule. It is either too vague, subject to misinterpretation, not enforceable or not enforced.

- Too vague: "League fees are x amount of dollars per week."
- Subject to misinterpretation: "There shall be no arrearages."
- Not enforceable: "A bowler will automatically be dismissed if she falls more than two weeks behind in her league fees."
- Not enforced: "Games shall be forfeited if participants in a team's lineup are not current in league fee payments."

In summary, good rules that are publicized, clear, fair and enforced keep leagues from being in a continual uproar.

Many times a league or association, upset with an officer, does not pay salary due. Many of our members are unaware that salary is a matter of contractual law. It is due because of time expended, not because of how well a job was done. It must be paid to avoid possible litigation. In the case of misuse of funds, an allowance for salary must be made in determining a repay figure.

Cases where secretaries did not submit final averages continue to increase. Occasionally, an association recommends suspension of membership. The legal committee considers this an office related violation for which suspension from holding office is generally imposed.

During 1983-84, the legal committee finalized 1,628 cases involving membership right or office holding privileges and 143 applications for reinstatement. Here is a breakdown:

155—Misuse of funds
52—Those responsible for verifying funds
149—Failure to submit final averages
177—Miscellaneous offenses
1,095—Nonpayment of league fees

The following is a summary of decisions rendered:

1,289—Membership suspended indefinitely with office holding privileges withheld in 217 cases. In nine instances, the restriction from being a team captain was also imposed.
149—Barred from holding office
1—Removed from office
147—Letter of reprimand/letter of counsel
42—Not guilty/dismissed
110—Reinstatements approved with office holding privileges withheld in 30 cases (2 still restricted from being a team captain)
11—Office holding privileges restored
13—Reinstatement of membership denied
9—Requests to hold office denied

In the period August 1, 1984, to January 1, 1985, the committee finalized 743 cases and 90 applications for reinstatement. Here is the breakdown:

550—Nonpayment of league fees
50—Misuse of funds (29 bond related)
53—Failure to submit averages
90—Miscellaneous

Keep your members informed. Acquaint league officers with WIBC and association services. Counsel them on rules and answer their questions. In that way they can achieve their goals and not be sidetracked by unpleasant situations which can drive them away.

Members of WIBC's legal committee are: Anne Simone, chairman; Elaine Hagin; Mitzi Herold; Clara Morton; Marilynn Rew; and Helen Baker, Ex-officio. (Hagin was appointed chairman following Simone's resignation midway through the season to accept a WIBC staff position.)

NBC

Members of the National Bowling Council (NBC) recognize the need to stop the decrease in league bowlers and open play. Retention of current bowlers and introduction of new bowlers is a top goal.

NBC's survey to determine the number of local and state bowling councils was not very successful. Please advise NBC if you have a council operating. NBC has developed a sample set of bylaws for anyone interested in forming a council.

Two NBC promotions, Pizza Hut and Maxim Coffee, have been concluded and reaction from both was very favorable. Coupon redemptions for Pizza Hut were the best. A third promotion with Eveready Batteries continued through June 1, 1985. Possible promotions for 1985-86 include General Mills and Nabisco, the latter with one of its snack lines for two years.

NBC has produced a new issue of the *Bowling Market Report* presenting information about the bowling industry to a select list of companies, ad agencies and sales promotion firms.

Several companies featured bowling in ad campaigns: Bud Light Beer, Michelob Light Beer, Bell Atlantic Yellow Pages, Pepto Bismol and King Edward Cigars.

During the past year, placements for bowling were made nationally on radio, in newspapers and on television. Layouts appeared in *Modern Maturity; Sky*, the Delta Airlines in-flight magazine; and *Boy's Life*.

NBC has provided information on bowling to: *Sporting Goods Business* magazine, *USA Today, Highlights for Children, Sports Illustrated, New York Times Sports, Sports Trivia*, Copley News Service column and regional monthly seniors newsletter.

Circulation for the syndicated "On the Ball" and "Ten Pin Topics" columns continues to increase. NBC has advised state and local associations of those who subscribe to encourage personal follow-up.

The NBC film "Bowling the Right Approach" continues to be aired frequently through cable system distribution.

Promotion of National Bowling Week — January 6-13, 1985 — included information sent to members of the bowling family and to sports editors in major markets. Approximately 500 areas responded, a good increase. Favorable reports indicated that those areas making an effort received a good public relations boost. In-depth radio segments were broadcast in many markets. Newspaper clippings were collected from hundreds of large and small markets.

Among youth organizations, bowling has been introduced to the Cub Scouts, as an option to their new sports fitness programs; the Explorer Scouts, which continues to be an effective program; and the Girls Clubs of America, through their sports program. Staff is working with the Boys Clubs of America, which includes female members, and CampFire, Inc., an organization including both male and female members.

Celebrating National Bowling Week at Bowling Headquarters were (l to r): Rich Wonders, FIQ medalist; Catherine Fellmeth, WIBC Hall of Fame; Frank Benkovic, ABC Hall of Fame; and Dixie Kirk, FIQ medalist.

"Shake-Em Up" and "Let Loose" continue as the most popular advertising programs with proprietors. Other advertising programs receive subsidy funds as well.

Television accounts for 53.6 percent of media dollars spent, followed by radio, 25 percent; newspaper, 16.1 percent; billboard, 5.2 percent; and transit, .6 percent.

During 1984, the education and training committee and NBC staff developed a new one-day workshop, "Promoting Bowling 1: Special Events." Redevelopment of the Certified Bowling Instructor program was completed. Forty-two workshops and clinics were conducted for approximately 1,000 participants.

A major three-day exhibit was staffed at the American Alliance for Health, Physical Education, Recreation and Dance national convention. An exhibit will also be at the group's 1985 convention.

The marketing committee has developed a U.S. bowling marketing plan that will be large enough and supported with enough dollars to make an impact on a national scale. Advertising and marketing programs will start with youth promotions.

NBC needs help from the bowling family to let the world know about bowling. Make use of the tools available and cooperate with the other integers to bring our membership over four million again and the Young American Bowling Alliance to record enrollment.

Members of the National Bowling Council committee are: Agnes Duffy, chairman; Helen Baker; Gladys Banker; and Flora Mitchell.

BVL Fund

America's bowlers continued BVL's tradition of raising record setting funds during 1983-84 with $980,769.82. The total reached $997,383.95 with added interest.

Ventura County, Calif., and Syracuse, N.Y., finished first and second for the second consecutive season on the list of top association contributors. Ventura County raised $22,488.49 to $22,326.16 for Syracuse.

Citrus Belt, Calif., placed third for the third year with $18,931.82, and Phoenix, Ariz., was fourth with $17,500. In all, 13 associations reached or surpassed the $10,000 mark, three more than the previous season. The Honor Roll lists 212 associations with $1,000 or more, up from 201 the previous season.

Welch, W. Va., set a record with $9.936 per member to lead the list of contributors based on membership. Seventeen associations topped $3 per member, four more than the previous season.

For the third year, California set a record and topped $200,000 to lead all states. New York and Georgia swapped positions with New York second by less than $2,000. A different picture appeared in the standings based on contributions per member by state. Georgia clearly lead with an average of $1.67 for each member.

Thanks to all the associations and groups that use a portion of their funds for BVL. Friends and family also continue to be memorialized by contributions and the help of the bowling integers is also appreciated.

In 1984, 93 teams participated in the VA/BVL Bowling Tournament. VA medical centers enter teams in this mail-in tournament. The 1985 tournament was the 40th in this most popular part of the BVL program.

The Re-Creation group entertained at 68 VA medical centers this past year. The goal was from 88 to 100 hospitals for 1985. A much greater public relations effort will be made for the group. BVL will send advance notice to all local bowling officials in those areas.

The 1985 Wheelchair Games were held at the University of Maryland in August. BVL continued its support. Funds were approved for continuing the Hospitalized Veterans Writing Project. Television set distribution continues with requesting hospitals each receiving at least two sets this past year. But our funds are never enough for all.

Bowlers have done a great job sending stamps to the Hospitalized Veterans Stamp Project. Bowling programs and supplies top the list of requests for funds. Other items include: arts and crafts, musical instruments, sports and recreation equipment, books and library equipment.

Helen Duval will continue as BVL's Honorary Chairman. She visited a number of hospitals and included "On the Lanes Bowling Clinics" in her presentations.

BVL funds go to 172 veterans administration medical centers. "These programs go a long way to help break up the tedium of hospital life," noted Wallace Lynch, Veterans Administration Director of Recreational Service.

WIBC members of the National Bowling Council/BVL Fund Committee are: Agnes Duffy, chairman; Helen Baker; Gladys Banker; and Flora Mitchell. The National Bowling Council is administrator of BVL funds.

National Bowling Hall of Fame

June 2, 1984 was an exciting day. The National Bowling Hall of Fame was dedicated and the doors opened to welcome the approximately 2,500 people in attendance.

Our first group of bowlers to arrive by bus came from Lubbock, Texas. They combined their visit with their yearly trip to the WIBC Championship Tournament.

We are grateful to all the associations and the many individuals who donated to this project. However, we need your continued support as we have a $3 million mortgage and other financial obligations.

Our thanks to all who have chosen the NBHF/M as a way to honor many of our bowling leaders. The Living Tribute and Memorial gifts have been greatly appreciated. To date, more than $400,000 has been donated in these two categories.

We appreciate the continuous support from Anheuser-Busch in sponsoring the Hall of Fame Tournament. But we need the help of every association. Give your bowlers the opportunity to bowl for a trip to St. Louis and a chance to compete with the Hall of Famers for a share of the $40,000 prize fund.

Gerald W. Baltz became the new NBHF/M executive director on July 16, 1984. Our sincere appreciation is extended to Albert Matzelle, the former executive director.

We urge you to plan a group tour and we especially direct this to all women's bowling associations that are within easy driving distance of St. Louis.

A realignment of the NBHF/M board of directors took place at the annual meeting in June, 1984. The board consists of representatives from the American Bowling Congress (three), WIBC (three), Bowling Proprietors' Association of America (one), AMF (one) and Brunswick (one).

Officers elected to serve for the 1984-85 season were: Gladys Banker, president; R. R. Woodruff, vice president; Flora Mitchell, secretary; and Edward Sweeney, treasurer.

Members of the WIBC National Bowling Hall of Fame and Museum committee are: Gladys Banker, chairman; Agnes Duffy; Mitzi Herold; and Helen Baker, Ex-officio.

New signs throughout the city of St. Louis pointed the way during the year to the "Bowling Hall of Fame."

International Competition

Bowling belongs in the Olympics! WIBC, the American Bowling Congress, Brunswick, AMF, the Bowling Proprietors' Association of America and others in the industry want to see bowling included in the Olympics as a medal sport. The best way to accomplish this, it was agreed, is through the Federation Internationale des Quilleurs (FIQ) as the organization recognized by the International Olympic Committee. Roger Tessman, acting FIQ president, has spent a great deal of time on this project.

The Pan American Games, originally scheduled for Ecuador in 1987, were moved to Indianapolis, Ind., giving the United States the games for the first time since 1959. Application has been made to have bowling included as a medal sport. Bowling was a demonstration sport at the 1983 games in Caracas, Venezuela.

Mary Mohacsi (center) and Laura Dulisse (right) discussed bowling with President Reagan in the White House following the International Amateur Bowling Tournament.

International competitions held since the last committee report were: The Tournament of the Americas, the AMF World Cup, the International Amateur Bowling Tournament and World Games II.

Meetings of the FIQ Presidium and FIQ Tenpin Division Presidium were held in St. Louis, Mo., immediately following opening of the National Bowling Hall of Fame and Museum in June, 1984. Helen Baker, WIBC president, and Agnes Duffy, WIBC vice president, were invited as guests. Mrs. Baker served as the delegate present for the FIQ Tenpin Division meeting. Hazel McLeary, then a WIBC director, was also present representing the Canadian Tenpin Federation.

At the meeting, Robert Tan was elected vice president. Mrs. Baker and Mrs. McLeary were voted to receive the FIQ Silver Service Pin to be presented at the FIQ meetings in Vienna, Austria, in July, 1985.

World Games II was held in London, England, August 2-4, 1985. Bowling was again included as one of 23 sports. Twenty-one international federations participated. The United States was represented by Mary Mohacsi, Livonia, Mich., and Barry Asher, Anaheim, Calif. (Mohacsi finished fifth in women's singles and sixth in women's all events. She and Asher finished seventh in mixed doubles.)

The United States Team Trials were held July 25-27 in Milwaukee, Wis., to determine the women's team to represent the U.S. in the 9th FIQ American Zone Championships in Bogota, Colombia, September 21-28.

The Olympian magazine published by the United States Olympic Committee, carried two articles on bowling. One was a two-page spread on WIBC. Named as bowling's athletes of 1984 were Rod Toft, Lake Elmo, Minn., and Mohacsi.

The *Bowlers Journal* named Mohacsi and Jurek as the 1984 Amateur Bowlers of the Year. Both enjoyed a trip to the White House along with fellow IABT contestants Laura Dulisse and Darold Meisel. They were accompanied by Mrs. Baker and Tessman. They visited with President Ronald Reagan and Vice President George Bush.

The international competition committee and WIBC staff met several times with the American Bowling Congress committee and staff to formulate the *Team USA* Bowling Tournament. *Team USA* will offer any amateur bowler the opportunity to earn a spot on the U.S. team.

Members of the WIBC international competition committee are: Agnes Duffy, chairman; Lo Borschuk; Joyce Deitch; Elaine Hagin; Pearl Keller; Irene Kreidler; Carol Miller; and Helen Baker, Ex-officio.

YABA

Americans find themselves in the midst of a physical revolution in the mid-80s. "Young and old have taken up all kinds of sports.

So where have our youth bowlers gone?

Why do twice as many boys as girls participate? We don't lose those girls. They never started to bowl.

At mid-season 1984-85, membership was nine percent below the previous season. Unfortunately, the downward trend continues even though 17 states and Canada registered increases in their 1983-84 membership.

The entire industry is concerned and is embarked on a massive promotional effort for youth. The National Bowling Council (NBC), working with the Boy Scouts of America, has launched a program for the 1.6 million Cub Scouts. NBC's new marketing fund is also targeted for youth.

Members of WIBC's Young American Bowling Alliance (YABA) committee serve as members of the national YABA Board of Directors. This year, Joyce Deitch, WIBC vice president, serves as secretary-treasurer. Other YABA officers are Ted Melonis of the American Bowling Congress (ABC), president, and Don Hillman of the Bowling Proprietors' Association of America (BPAA), vice president.

Others appointed to the board are: from ABC, Roger Dalkin, Burt Kellermann, Walt Roberson and Richard Yoakum; and from BPAA, Jamie Brooks, Donny Hurwitz, John LaSpina and Gary Richards.

All 50 states, two Canadian provinces and three military commands were represented at the Coca-Cola National Junior Bowling Championships in Minneapolis, Minn., in July, 1984.

The 1985 national junior event was held in Denver, Colo., July 18-21, with 160 youth bowlers competing for $33,000 in scholarships in girls' handicap, boys' handicap and scratch divisions.

The Indiana State University women and the Buffalo State University men were the winners at the 1984 National Collegiate Bowling Championships held in San Jose, Calif. The 1985 championships were held in Milwaukee, Wis., May 2-4. (The West Texas State women and University of Wisconsin-La Crosse men won the titles.)

The Federation Internationale des Quilleurs (FIQ) American Zone Juvenile Championships scheduled for 1984 were canceled. Instead, a friendship match was arranged with Canada's team.

Starting in 1985, the Youth Leader of the Year will be invited to the National Junior Bowling Championships to receive his or her award.

Chuck Hall, retiring YABA executive director, was honored at a dinner held during the first YABA national workship.

Youth and collegiate division bowlers will be a part of the new *Team USA* Bowling Tournament. Hopefully, this will bring more youngsters into the program and keep them there.

YABA's latest tool, a booklet entitled "Get 'ems" and "Keep 'ems," contains success stories from many areas. Bowling centers and associations have already put it to good use.

The first YABA national workshop was scheduled August 9-11 in Milwaukee. Activities included get acquainted sessions, learning sessions, show and tell sessions plus question and answer sessions for both youth and adult leaders. Bowling competition was also included.

Highlighting the weekend was a dinner honoring Chuck Hall, YABA executive director who retired at the close of the season. Chuck devoted many years to youth bowling. Each year he encouraged and challenged the WIBC delegation to think of the future of our game . . . the kids. He will always be remembered as one of the true friends of bowling.

Members of WIBC's YABA committee are: Joyce Deitch, chairman; Gladys Banker; Elaine Hagin; Anne Simone; Jo Smith; and Helen Baker, Ex-officio.

Senior

The number of senior bowlers is growing across the country. Credit for the growth in senior members, and their participation in leagues and tournaments goes to all who are dedicated to bowling. Bowling offers seniors a change from a "hum-drum life of rocking chair blues" to an active way of life.

We all realize the need to get seniors involved. To help, WIBC is developing a senior sales kit that will be forwarded to local associations starting in 1985-86.

Recognition is a very important part of bowling. Recognition for seniors can come through publicity in the media and through an awards program.

Speaking of recognition, effective August 1, 1985, WIBC will furnish, free of charge, one set of emblems and chevrons in each age class for doubles, singles and all events to local and state associations conducting an annual senior championship tournament. If additional sets are needed, they may be purchased at a minimal fee.

In our study of the senior program, Rule 362, Assigned Averages, was discussed. It was the consensus that this should be left to the managers of senior tournaments. (A proposed amendment was presented to the delegates at the 1985 WIBC Annual Meeting.)

In Tulsa, Okla., May 11-12, the National Senior Championship Tournament was held. The fourth annual event was expected to be larger than ever.

At the 1984 tournament in Reno, Nev., a photographer took pictures of individuals and groups, which were presented to the competitors. For 1985, a specially designed emblem was presented to each senior at the time of registration.

In the past four years, state associations have done an outstanding job in promoting state senior tournaments. Now, only three or four states do not conduct senior tournaments. Needless to say, a successful state senior event depends on local associations getting involved.

Last year, we had an increase of 934 leagues and more than 10,000 members over the previous season. This increase took a lot of hard work by a lot of people. It is up to all of us to continue to accept the challenge to promote senior bowling.

Members of the WIBC senior committee are: Clara Morton, chairman; Mitzi Herold; Lavonne Hodgson; Beatrice Lane; Eleanor Meeks; Ruth Smith; and Helen Baker, Ex-officio.

When a bowler competes more than once, her first appearance in the event shall count toward her all events score.

Interassociation Bowlers
Rule 205B. An interassociation bowler who is not a member of a local association conducting the tournament may bowl in the tournament, unless otherwise stated in the tournament rules, but her participation shall be confined to the team event with the team of which she is a member.
She shall confine her state tournament bowling to the state association of which she is a member.

Transferred Members
Rule 205c. A member who transfers her membership is eligible to bowl in all the events of the annual championship tournament conducted by the local and state association to which she transfers, provided she has not participated in the tournament of the local and state association from which she transferred.
If she participated in the tournament(s) of her former associations(s), and she is a member of a team in a sanctioned league in the local association to which she transferred, she may bowl in that association's annual tournament, unless otherwise stated in the tournament rules, but her participation shall be confined to the team event with the team of which she is a member.

Student Participation
Rule 205d. An unmarried grade or high school student who has not attained the age of 18 shall have the written consent of one of her parents or guardian in order to participate in the association championship tournament. The consent shall be on a WIBC approved form and shall be on file with the tournament secretary at least one week before the bowler is eligible for the tournament competition, unless the student is accompanied by her parent or guardian, in which case the parental consent form may be filed up to the time the student starts to bowl.

Averages
Rule 206. When a bowler competes in leagues in more than one association, she shall use her highest sanctioned league average to enter the tournament, based on the number of games required, unless the association tournament rules provide for the use of only those averages established in leagues within its jurisdiction.

Prize Fund
Rule 207. All prize money collected in an event or division of an event shall be returned to the participants in that event or division of that event. The breakdown of the entry fee shall be included on the entry form.

All Events
Rule 208. Optional all events fees must be paid prior to the closing date for entries or before the entrant bowls in any of the events, whichever comes first. An all events entry may be transferred, provided the transfer is made before the bowlers involved have participated in any event of the tournament.
When an award (excluding cash awards), is provided for the all events winner, the bowler who places first in all events shall be entitled to the award regardless of whether she has paid the optional prize fee. However, in such cases, the award must not be purchased from the optional fees paid into the all events prize fund.

Tardy Players
Rule 209. Bowling shall begin in accordance with a previously arranged schedule. Any player or team arriving late shall begin play and the score shall count beginning with the frame then being bowled.
At the discretion of the tournament secretary, all games which a team refuses to start because a full lineup is not present shall be forfeited.
No absentee or vacancy scores shall be permitted and a bowler must bowl on the same lanes and at the same time her team bowls.
A bowler who misses one frame or more by not being present and ready to bowl when it is her turn shall not be credited with any pins for frames missed.

Bowling Alone
Rule 210. When players are scheduled alone on a pair of lanes they must bowl all games as though they were actually contested. Each entrant must have completed her frame on one lane before the player bowling as lead-off commences her next frame on the adjoining lane.

Rule 211. Pacers will not be permitted unless otherwise specified in the tournament rules.

Substitutions During Game or Series
Rule 212. In the team and doubles events, substitutions may be permitted after a game has started, but a player once removed cannot return to bowl for the balance of that game. In the singles event, no substitutions may be made after the series has started.
Scores bowled through the efforts of more than one individual shall not qualify for any WIBC or tournament individual awards, nor shall the score be included in the all events total.

Two Lanes Required
Rule 213. Two lanes immediately adjoining each other shall be used in each game of tournament play. The bowling of ten complete frames on the pair of lanes on which the game was started shall constitute an official game.
When equipment failure would delay the normal progress of the series, the players may be authorized to complete the game and/or series on another pair of certified lanes. The interrupted game and/or series must be resumed from the point of interruption, regarless of when it is completed.

Tournament Series
Rule 214a. The first game of a series shall be started on the lane on which the team or individual is scheduled. Succeeding games shall be started on the lane on which the team or individual has finished the preceding game, unless each complete game is bowled on a different pair of lanes.

Order of Bowling
Rule 214b. The members of the contesting teams, doubles and individual entrants shall successively, and in regular order, bowl one frame on one lane, and for the next frame alternate and use the other lane, so alternating each frame until five frames are bowled on each lane to complete the game. No pins may be conceded and only those actually knocked down may be counted. Every

frame must be completed at the time the player is bowling in her regular order.

Scheduling Doubles

Rule 214c. Only one doubles team will be scheduled on each lane and both members of the team will start on the same lane, unless the association provides for three or more doubles teams on a pair of lanes. In that case, the first player on each team will start on one lane and the second player on the alternate lane.

Players will alternate lanes after each frame. Succeeding games shall be started on the lane on which a player finished the preceding game, unless each complete game is bowled on a different pair of lanes.

Tie Scores

Rule 215. The association shall include in the tournament rules a provision to govern whether a playoff will be conducted or co-champions will be named when there is a tie for the championship in any event. However, if there is a duplication of personnel on the tied teams, rule 216 shall apply. When co-champions are declared, the cash prizes for the positions affected are to be equally divided. Duplicate awards are to be given to the champions from a fund other than the prize fund. When a playoff is conducted, at least three games shall be played in deciding the championship. The team or individual scoring the greatest number of pins, including handicap in handicap competition, shall be entitled to the first place prize for the event, including the championship, medals or other awards. The team or individual with the next highest score in the playoff shall be entitled to the second place prize, etc.

Duplication of Personnel

Rule 216. When multiple participation is permitted, and one or more bowlers are members of the teams tied for the championship, the following shall apply:

a. If two teams are tied and a bowler or bowlers have participated on both teams, co-champions may be declared if provided in the association rules. If the association provides for a playoff, the player(s) who have bowled on both teams shall be dropped and the remaining players on both teams shall bowl the playoff series, with total pins deciding the championship.
b. If more than two teams are tied for the championship, and there is a duplication of personnel on any of the teams involved, there shall be no playoff and co-champions shall be declared.

Use of Scores

Rule 217. Scores bowled in the local association championship tournament shall not count toward sanctioned league competition. Scores bowled in league competition shall not count for the local championship tournament.

Tournament games cannot be rebowled, except as authorized by the tournament manager when scores are irretrievably lost from an automatic scoring device.

There are additional transactions with affiliates as discussed in the following notes.

4. Commitments and contingent liabilities

WIBC has authorized a contribution of $250,000 to National Bowling Council for fiscal 1986, the same amount paid for the years ended July 31, 1985 and 1984, respectively. The 1986 payment is contingent upon the authorization of like contributions from ABC, BPAA, AMF, Inc., and Brunswick Corp.

Bowling Redevelopment Corporation, a fully owned subsidiary of NBHF/M, has a $2,100,000 loan with Centerre Bank of St. Louis in connection with NBHF/M's construction of the museum in that City. WIBC and ABC have agreed to guarantee these borrowings. WIBC and ABC have also agreed to guarantee the continued operation of the new museum through 1994.

The Board of Directors
Women's International Bowling
Congress, Inc.

We have examined the accompanying balance sheet of Women's International Bowling Congress, Inc. (WIBC), at July 31, 1985 and 1984, and the related statements of revenue, expenses, and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The financial statements for the year ended July 31, 1984, of Bowlers' Building Corporation (BBC), an unconsolidated subsidiary in which WIBC has a 50 percent interest, have been examined by other independent auditors; insofar as our opinion on the financial statements for the year ended July 31, 1984, relates to data included for BBC, it is based solely on their report. In the financial statements, WIBC's investment in BBC represents 22 percent of total assets at July 31, 1984.

In our opinion, based upon our examinations and the report of the other independent auditors in 1984, the statements mentioned above present fairly the financial position of Women's International Bowling Congress, Inc., at July 31, 1985 and 1984, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis during the period.
